I have been Housemaster in School House since 2006. Prior to that I had been Housemaster in Parnell from 1994-1999. We have family connections to both Houses as Rosemary's brothers boarded in Parnell and our sons Matthew and Andrew boarded in School House when we were in Parnell. Mathew started at King's prior to our arrival in September 1991. Our daughter Emma also attended King's. Rosemary co-ordinates the large Community Service Programme, run under the umbrella of the Chapel.

The Boarding experience is enriching and fulfilling. It challenges boys and provides an environment whereby competition, responsibility, leadership, loyalty and support, to name a few, are part of the daily qualities that are inherent in Boarding life.
